

HOSTS

Help One Student To Succeed

Why mentor?

An hour of your week provides the one-to-one attention that helps a student to succeed.

Mentors work one-to-one with two students for 30 minutes each, using easy-to-follow lesson plans prepared by the HOSTS staff that target specific reading skills. Mentors simply carry out the instructions for the day. The only qualification needed is **the desire to help a student**.

- Mentors commit to **one hour per week** and teams of two or more can alternate weeks.
- Various mentoring times from 8am until 2pm are available to accommodate volunteers' busy schedules.
- A short training session will familiarize you with the HOSTS program and explain your role as a mentor.

*HOSTS is in session from
September 6, 2022 to May 5, 2023*
